Motion Councilmember Foat, seconded by Councilmember Roberts and unanimously carried (5-0) on a roll call vote.

City Attorney Holland stated the City Council recessed into Closed Session to discuss items on the Closed Session Agenda, and reported the City Council authorized the City Attorney to file litigation against Miggy’s Cantina to recover grant funds, provided direction to City Staff and the City Attorney, otherwise no reportable actions were taken.

ACCEPTANCE OF THE AGENDA:
ACTION: Accept the Agenda as presented. Motion Councilmember Foat, seconded by Councilmember Roberts and unanimously carried (5-0) on a roll call vote.
1. STUDY SESSION:

1.A. MUSEUM MARKET PLAZA SPECIFIC PLAN AMENDMENT (“DOWNTOWN PALM SPRINGS SPECIFIC PLAN”) AND FINAL EIR ADDENDUM NO. 2:

Flinn Fagg, Director of Planning Services, provided background information as outlined in the Staff Report dated January 6, 2016.

Councilmember Kors requested Staff address the approved entitlement process and explain why some entitlements were approved by the Planning Commission and some entitlements were approved by the City Council, and requested City Staff note entitled buildings on the model.

Councilmember Roberts requested Staff address the parking structure and if the parking study addressed the Palm Springs Art Museum use of the parking structure.

Councilmember Foat requested Staff address the use of the results of the new traffic study.

The City Council reviewed the plan -- page by page -- and discussed and/or commented on the following: change in the name, the process to establish the maximum number of hotel rooms and the 450 hotel room limit, the reference to allow a potential roadway to Indian Canyon Drive, the calculation for the size of the project pursuant to the parcel map, the vacation of public right-of-way on Palm Canyon Drive and Tahquitz Canyon Way, the parking and loading zones on Palm Canyon, the requirements or triggers that would require a new EIR, the inclusion of Blocks A, B and B-1 on page II-2 line 278 as under construction and/or the underground parking lot on Blocks B and B-1, no mention of bike paths in the Specific Plan and the inclusion of bike paths in the General Plan, explaining bike paths in the Specific Plan, the bike parking areas and the number of bike parking spaces, defining and adding the link for the east-west path to the Convention Center and modifying the verbiage on page II-4, line 338, limit the number of hotels rather than limit the number of hotel rooms, include and/or regulate the type of ownership of the residential units and the inclusion of affordable housing and limit short-term rentals, the deletion of view corridors on page II-10, require City Council approval for non-permitted uses, require auction house or consignment store by CUP, require Similar Uses as approved by the City Council, distance between buildings on Market Street, the height limit in the public park area to remain flexible until a plan is before the City Council, define voided airspace in upper floors with height in feet rather than the number of stories, better define or reword “voids” as “relief from the vertical plain,” Development Standards all require final approval by the City Council, the step-back requirement from the property line and if the buildings on Block A meet the requirements, the removal of building mass.
in the document, allowing the transfer of square footage from one block to another, keep references to 15% for transfer of square footage, requested Staff fully articulate the parking for the project, City ability to restrict parking, green building standards and energy efficiency, the description of the flagship building on page III-33, public art fees and requirements, the specificity of parking on Indian Canyon Drive, the removal of sidewalks and the reduction in street width, the addition of data lines to infrastructure, requiring City Council approval for the demolition and/or adaptive reuse for the Town and Country Center, and the independent study that is required.

Councilmember Roberts commented on specific areas for the City Council to consider during the public hearing: recommended the City Council adopt the Planning Commission recommendations, the need for additional discussion for parking, the reduction of height and setbacks in those areas that are not entitled, the balance between hotel and residential use, and the lack of a residential component as a part of the project.

The City Council recessed at 8:17 p.m.
The City Council reconvened at 8:31 p.m.
